

Iron Chef Wannabe (Puzzle #28)

This puzzle is a text-based adventure game. There is an executable on the CD that was distributed with this puzzle. It does not have any viruses. But it does have a game of drama and culinary adventure. The game will accept the following commands:

<i>x <item></i>	Find out more details about an item that you encounter
<i>i</i>	Check out your booty (query your inventory)
<i>l</i>	Look around (get the long description of the room)
<i>z</i>	Hang out for a turn
<i>take <item></i>	Pick up an item
<i>drop <item></i>	Put down an item
<i>put <item> in <other item></i>	Put an item in another item or place
<i>cut <item> with <other item></i>	Use a sharp item to cut a less hardy item
<i>wear <item></i>	Wear an item
<i>turn on <item></i>	Turn on an item
<i>take off <item></i>	Unwear an item
<i>open <item></i>	Open an openable item
<i>close <item></i>	Close an opened item
<i>n</i>	Go North
<i>e</i>	Go East
<i>w</i>	Go West
<i>s</i>	Go South
<i>dig in <item> with <other item></i>	Dig in a diggable space with a digging implement
<i>give <item> to <being></i>	Give one of your items to another living thing
<i>read <item></i>	Read the contents of a readable item
<i>look in <item></i>	Look inside of an item
<i>set <thing> to <other thing></i>	Set on thing to another thing
<i>unlock <item></i>	Unlock a locked item
<i>look through <item></i>	Look through an item

Hints:

1. It's helpful to get more information about your inventory item by examining them.
2. It will be very obvious when you are done and what the final solution is.
